

ABM Industries Names New Treasurer

December 17, 2018

Susie A. Choi, Head of Investor Relations, takes on expanded role as Treasurer

NEW YORK, Dec. 17, 2018 (GLOBE NEWSWIRE) -- **ABM** (NYSE: ABM), a leading provider of facility solutions, today announced the appointment of Susie Choi (Kim) as the Company's new Vice President, Investor Relations and Treasurer. As Treasurer, Ms. Choi will be responsible for cash and liquidity management, capital structure, and will lead all banking relationships associated with the Company's syndicated credit facility, in addition to her current responsibility of leading Investor Relations for the Company. Concurrent with Ms. Choi's appointment, Tom Gallo, the Company's former Treasurer, has been promoted to Senior Vice President of Strategy and Transformation and will lead the Company's strategy and transformation office.

"A very important part of our 2020 Vision transformation was to develop a strong talent pipeline within the Company. Today's announcement draws upon that strength and I am thrilled to have Susie's financial skill in this critical role," said D. Anthony Scaglione, ABM's Executive Vice President and Chief Financial Officer. "During the past two years, Susie has developed a deep understanding of ABM's business, helped set direction, and led efforts to communicate our financial, strategic, and operational objectives to investors and other key stakeholders."

Ms. Choi joined ABM in early-2016 from Aéropostale, Inc., a specialty retailer of young men's and women's apparel, where she served on the Institutional Investor Magazine-ranked Investor Relations (IR) team for nearly nine years. Susie was responsible for managing relationships with more than 30 equity research analysts and Aéropostale's shareholders, while working with the Aéropostale management team to inform tactical and strategic direction. Ms. Choi began her career in Equity Research at Cowen and Company and is a graduate of New York University.

ABOUT ABM

ABM (NYSE: ABM) is a leading provider of facility solutions with revenues of approximately \$5.5 billion and more than 130,000 employees in 350+ offices throughout the United States and various international locations.
