

ABM Grows Wisconsin Footprint; Signs Sheboygan Area School District

March 28, 2019

NEW YORK, March 28, 2019 (GLOBE NEWSWIRE) -- [ABM \(NYSE: ABM\)](#), a leading provider of facility solutions, has been awarded a contract to provide a custodial services staffing solution to Sheboygan Area School District (SASD) in eastern Wisconsin.

The ABM Education team will provide management oversight of an existing daytime custodial staff and add additional ABM employees for a nighttime shift at SASD's secondary schools. This includes four middle schools and four high schools that total approximately 1.5 million square feet and serve 5,000 students.

"The ABM Education team is very excited to welcome Sheboygan Area School District to our family of over 50 K-12 districts in the Midwest market," says ABM Education Senior Vice President of Operations Tom Martin. "Our local and regional management teams will work diligently to implement the service transition, as well as focus on a long-term partnership with SASD and all community stakeholders."

ABM brings local experience to SASD. In addition to providing custodial services for a nearby technical college, the ABM team works with four additional school districts across Wisconsin.

"Based on our experience from the development of the proposal to the signing of the contract, we are optimistic that ABM will do an outstanding job working in partnership with the district," says SASD Superintendent Seth Harvatine.

ABM, which works with more than 500 K-12 school systems, colleges and universities throughout the U.S., has educational facility services expertise in custodial services, energy management, maintenance services, parking, landscaping and more.
