

## ABM Selected by Commonwealth Partners to Service Multiple Properties

July 23, 2014

NEW YORK--(BUSINESS WIRE)-- [ABM \(NYSE:ABM\)](#), a leading provider of facility solutions, announced today that ABM's Facility Services business has been selected to provide a full range of facilities engineering maintenance services for Commonwealth Partners' properties across the Western and Midwestern United States. The deal builds upon Commonwealth Partners' existing contract with ABM Parking Services.

Commonwealth Partners is a fully integrated private real estate investment, development, management and operating company based in Los Angeles. The multi-year, multi-million dollar contract spans a number of key markets including Los Angeles, Chicago, Seattle, San Francisco, Austin, Salt Lake City and Washington DC. In all, ABM will employ over 70 engineers across 11 Commonwealth Partners locations.

"We were seeking a partner with the breadth and infrastructure to provide world-class services across a number of markets," said Commonwealth Partners Senior Vice President Travis Addison. "We have experience with ABM Parking Services, and we know that ABM has the technology and experience to ensure our facilities engineering needs are consistently met in a world-class fashion, regardless of the location."

"We are delighted to undertake this opportunity to deepen an already tremendous partnership alongside Commonwealth Partners," said Mike Latham, ABM President, Facility Services. "We look forward to providing Commonwealth Partners with best-in-class real estate solutions, including greater service consistency, upgraded reporting and improved performance metrics across its portfolio."
