

Becker's Hospital Review Names ABM Healthcare Support Services to its 150 Great Places to Work in Healthcare

March 16, 2015

CHICAGO, March 16, 2015 - *Becker's Hospital Review* has published the 2015 edition of its 150 great places to work in healthcare in the United States. ABM Healthcare Support Services was among the companies listed.

For the second year in a row, the list features both healthcare providers as well as other types of healthcare-specific companies, such as consulting firms, health IT vendors, medical societies and more. A version of this list has been published every year since 2011.

The organizations featured on the list were selected by the *Becker's Hospital Review* editorial team based on workforce-centric awards received, benefits offerings, wellness initiatives, and efforts to improve professional development, diversity and inclusion, work-life balance and a sense of community and unity among employees. Nominations were also considered.

The "150 Great Places to Work in Healthcare" 2015 list includes the following organizations:

Note: This list is not an endorsement of included hospitals, health systems or associated healthcare providers, and organizations cannot pay for inclusion on this list. Hospitals are presented in alphabetical order.

About Becker's Hospital Review

Becker's Hospital Review is a monthly publication offering up-to-date business and legal news and analysis relating to hospitals and health systems. Content is geared toward high-level hospital leaders, and we work to provide valuable content, including hospital and health system news, best practices and legal guidance specifically for these decision-makers. Each issue of *Becker's Hospital Review* reaches more than 18,000 people, primarily acute-care hospital CEOs, CFOs and CIOs.

ABOUT ABM

ABM ([NYSE: ABM](#)) is a leading provider of facility solutions with revenues of approximately \$5 billion and 118,000 employees in over 300 offices deployed throughout the United States and various international locations. ABM's comprehensive capabilities include facilities engineering, commercial cleaning, energy solutions, HVAC, electrical, landscaping, parking and security, provided through stand-alone or integrated solutions. ABM provides custom facility solutions in urban, suburban and rural areas to properties of all sizes - from schools and hospitals to the largest and most complex facilities, such as manufacturing plants and major airports. ABM Industries Incorporated, which operates through its subsidiaries, was founded in 1909. For more information, visit www.abm.com.
