## **ABM Parking Services Awarded Parking Management Contract with Nashville International Airport (BNA)**

NEW YORK, May 29, 2015 (GLOBE NEWSWIRE) -- [ABM](#) (NYSE:ABM), a leading provider of facility solutions, announced today has been awarded a multi-year contract to manage parking operations at Nashville International Airport (BNA). Ranked as the 34th busiest airport in the U.S. by Airports Council International North America, the public and military use airport in southeast Nashville served more than 11 million passengers in 2014.

Under the terms of the multi-million dollar contract, ABM Parking Services will operate and oversee 11,150 parking spaces across BNA's five parking facilities, including a dynamic valet parking service. Approximately 95 ABM employees will be engaged in providing parking services at BNA.

"We are delighted to partner with one of the country's busiest and most respected airports," said Scott Hutchison, ABM Vice President, Airport Parking Services. "We will leverage our extensive experience serving airports across the country to help ensure Nashville International's millions of customers enjoy a smooth experience. We look forward to a long and productive partnership."

In addition to the contract with Nashville International Airport, ABM provides parking services at many other key airports around the country, including: New York City, Newark, Minneapolis-St. Paul, Washington DC, Sacramento, Orlando and Tampa among others.

ABM Parking Services manages nearly 2,000 airport, hotel, hospital, retail, education, office, entertainment and other multi-use parking operations across the U.S. ABM's extensive parking and transportation services include parking management; shuttle transportation services; valet parking; on-and-off-street meter collections and enforcement; rate analysis and recommendations; parking utilization analysis; and consulting on pre-construction design, equipment procurement/installation and layout of parking facilities.
